

PIM Paper Drive 2017, 42nd Annual Paper Drive

The 2017 PIM Surplus Paper Drive had record numbers AGAIN! 400 teachers showed up at Veritiv in Brooklyn Park on Saturday, September 16th. 50 more teachers than last year! It was an amazing crowd and we even have pictures to prove it!

The teachers, as always arrived prepared to load paper, and lots of it, into their, cars, trucks, U-Hauls, trailers and vans. Most schools came with multiple people and game plans to grab the most paper possible in the 3-hour time span. The Paper Drive did have less paper this year, which created worry and nervousness! But just like always, most teachers left happy to keep their programs robust with paper. All the PIM Paper Drive assistants received hugs, cheers and thanks as the teachers left.

A BIG THANK YOU TO Veritiv. They are now in their 4th year of hosting the PIM Paper Drive. They made it so this day is so easy and carefree. The Veritiv staff is amazing in their efforts to make the PIM Paper Drive better every year. Thank you to Pioneer Paper Stock for making sure that the leftover paper (which was not much) got recycled.

September 16th was a great day!

Thank you PIM Members for dropping that paper on September 15th, these PIM Members are really helping Minnesota Teachers and we couldn't do it without you.
