

2018 Youth Internship Program Overview

Minnesota - Funded by the Pohlada Family Foundation

The Pohlada Family Foundation has generously provided a grant to the Printing Industry Midwest's Education Foundation for Minnesota members. The grant funds are to be used to identify youth who would otherwise not likely have the opportunity to explore careers in the graphic arts and communications industry.

Recipients can receive up to \$2200 in wage reimbursement this summer! Each PIM member is eligible to sign up two individuals to participate in the program and receive up to \$1100 per person in wage reimbursement. (Interns must be ages 16-25 on June 1, 2018 to qualify)

Don't forget your forms ... it's as easy as 1-2-3!

- MN-1 Company Participation Form
- MN-2 Youth Intern Request Application
- MN-3 Reimbursement Request Form

Process for Participation:

- 1.** Complete the Company Participation Form (MN-1) and submit to Kristin Davis, PIM Education Director.
