

PIM Paper Drive 2018, 43rd Annual Paper Drive

The 2018 PIM Surplus Paper once again had 400 teachers that showed up at Lindenmeyr Munroe in Fridley on Saturday, September 22nd. It was an amazing crowd and we even have pictures to prove it!

The teachers, as always arrived prepared to load paper, and lots of it, into their, cars, trucks, U-Hauls, trailers and vans. Most schools came with multiple people and game plans to grab the most paper possible in the 3-hour time span. PIM Members donations really stepped up and there was enough product to go around. All the teachers that came left really happy knowing their programs could remain strong for 2018-2019 School Year!

A BIG THANK YOU TO Lindenmeyr Munroe – the new host of the PIM Paper Drive! For their first year, they came off looking like they had hosted it for 10 years! The Lindenmeyr Munroe crew donated their time and boy did they assist. They were everywhere to help lift, direct, carry, handle conflict resolution and they did it all! Also, a Thank you goes out to Pioneer Paper Stock for making sure that the leftover paper was recycled.

September 22nd was a great day for Minnesota teachers, Lindemeyr Munroe and Printing Industry Midwest Printers.
