PROGRAM OVERVIEW

All forms & entries due to PIM's Office by January 31, 2024 at noon

Printing Industry Midwest (PIM) proudly presents the Call for Entries for the 2024 Star Awards competition; the most prestigious symbol of printing excellence throughout the Midwest! The Star Award is a powerful promotional tool for PIM members. It demonstrates your award-winning capabilities to customers and tells your employees you are proud of the work they produce.

WHO CAN ENTER?

This competition is open to all PIM members who are currently in good standing and have had a direct role in the production of the printed piece(s) entered. Entries must be created at PIM member company or companies between **January 1, 2023 to December 31, 2023**. There is no limit to the number of entries per company. If a piece meets the criteria, it can be entered in more than one category.

WHAT ARE THE BENEFITS OF SUBMITTING ENTRIES?

- Your company will receive increased name recognition.
- Best of Category winners will be announced and promoted in PIM's printed newsletter and in PIM's Print Buyers Guide & Membership Directory. They will also be in the running for the People's Choice Award & Best of Show Award. Winners will be display at the award banquet.
- A press release will be sent to trade publications announcing the winners.

HOW ARE THE ENTRIES JUDGED?

The team of judges includes experts in the graphic arts industry. An entry is judged first on technical expertise and quality of printing; next on design features and overall graphic appeal. Entries with visible technical flaws will be disqualified from the judging process.

Please check your samples carefully. Judges will not know which company submitted the entry (except in the case of self-promotion category). PIM reserves the right to re-categorize any entry if it is determined that the entry may be judged more fairly in a different category.

HOW TO ENTER?

Submit **two unmounted** copies for each category you wish to enter. Consider saving extra copies for your company to use in the event your piece wins.

Submissions will NOT be returned after judging.

Fill out the forms on the following pages - one Item Entry Form and I.D. Tag for each piece entered. Attach an I.D. Tag to the back of each entry. Complete one Master Entry Form listing all your submissions.
